Crete Public Library

Founded 1878

May 2018

This 'n' That

School is nearly out which means graduation and wedding seasons are beginning. It also means summer calendars are quickly filling up with ball games, vacations, church VBS programs, swim lessons, etc. Just make sure you don't leave the library off the calendar!

Watch for an announcement late May regarding the 2018 Crete Reads selection. There are several events in the works surrounding the title.

July will also bring the Reading with Friends program. This program has 12-15 hand-selected children coming to the library twice a week for four weeks. The children will read with/to a volunteer one day a week and have a story time the other day. Would you like to be one of the volunteers reading with a child? It takes one hour a week for the four weeks. We understand you may not be able to commit to all four weeks, and that's okay. It's a very rewarding time spent helping these children keep up with their reading skills during the summer. If you are able to help, call Susan at 402-826-3809.

Unable to work for three months post surgery, I learned just what a valuable tool we have in OverDrive®. I did a lot of reading because, well, that's pretty much all I could do! And I was very grateful to be able to download books at any time, day or night. If you aren't using OverDrive® and need help getting started, ask us for help. We would be happy to convert you to being a user!

Summer Reading Program for Preschool, Elementary and Middle School Registration May 1 - June 1

Libraries Rock!

Sign up for Summer Reading has begun at Crete Public Library. This year we'll have programs in June and July! We hope children and their families will enjoy reading and participating all summer long.

Our programming will run through July so there's more time to read and participate. Registration will run through Friday, June 1. This is also the date of the kickoff event; drop in from 1 to 4 p.m. for crafts, games, a balloon artist and a visit from Elephant and Piggie.

Children registered for preschool-age programs will sign up for Wednesday or Thursday slots. Elementary-age programs will run on Tuesdays in June and include a UNL virtual field trip, Jack and Kitty music duo, a visit to Spring Creek Prairie Audubon Center, and a 4-H petting zoo. A special musical program will be held on Wednesday, June 6 for preschool and elementary ages. The pool party is scheduled for June 28.

Summer Reading programs in July will be on Wednesdays for all ages, including Pete the Cat story time, Legos & Games, a magician, and science presentation. Family Movie Night will be held on July 27 in City Park.

We also have a middle school summer reading program planned. Programs include Zen & Win, Harry Potter Movie Day, Bookmarks, Buttons & Brownies and Zombie Tag. Middle schoolers are also welcome at the pool party and the movie night.

Thanks to the Friends of the Crete Public Library for their support of the Summer Reading program. There is no charge for any of Crete Public Library's Summer Reading programs. For more details, see our web site, Facebook page or call the library at 402-826-3809.
