FOR THE REQUIRED INSPECTIONS PLEASE CALL: 826-4312.

Before trenching or excavating, State Law requires you call Digger's Hotline of Nebraska at (800) 331-5666 and your lines will be marked within 48 hours. Questions? E-mail brad.bailey@crete.ne.gov.

* Applicant must be a Registered Master Plumber Contractor, or a Registered Water Conditioning System Installer. Rough-in work must be inspected before being concealed. Final inspection required before an occupancy permit can be issued. Work must conform to the 2009 Uniform Plumbing Code with the Lincoln Amendments and all City Ordinances. No work may be done until the permit fees are paid, as per Code Section 11-206. A copy of Plumber's registration must be filed with the City as per §9-709. Registered plumbers must provide a valid insurance certificate and post a \$3,000.00 performance bond as per §9-710, in order to perform any "permissible" plumbing work within the City of Crete's Jurisdiction. All **backflow devices** must be submitted in advance for approval, as the City maintains a list of USC Approved Backflow Preventers. All subcontracting companies **and** fire sprinkler system installers are required to register all employees performing work within the City's jurisdiction. All non-metallic water supply lines buried must have tracer wires accompanying them.
