# Upgrade to Libby

Beginning May 1st, users who try to access the library's collection in the OverDrive app will see the following message:

Libby is designed by the same people who brought you OverDrive, with the same goal of connecting you to your library and to your favorite books and audiobooks.

Libby was launched in 2017, with the goal of creating a simple and intuitive library app that built on core experience from the OverDrive app.

Libby is a great app for everyone and OverDrive feels that there is no need to have two apps that do the same thing.

Hopefully, many of you have already switched to Libby. If you need assistance downloading the Libby app, please don't hesitate to call us or stop in for assistance. How-to videos and step-by-step instructions on Libby Help explain how to use the app. For a great video visit:

## Czech Americans in Nebraska Program at CPL

Dr. Bruce M. Garver from Omaha will present "Czech-Americans in Nebraska" in the Crete Carrier Community Room on Sunday, May 7 at 2 PM. The program, sponsored by Humanities Nebraska and the Friends of the Crete Public Library, is free and open to the public. Dr. Garver, professor emeritus at the University of Nebraska at Omaha (UNO), earned his Ph.D. in history from Yale University and began teaching at UNO in 1976. He also taught Czech and immigrant history at UNL between 1982 and 1990.
