Book Review

By Trinity White

My book review will be about *Dork Diaries* by Rachel Renée Russell. This book series brings me great joy. Reading it and then rereading it is one of my favorite things to do. I mean ask my friends and family, if I'm not doing sports or other activities, I'm reading. I would 100% recommend this book to a teen who doesn't like to read because I never used to read and now I read so much, and I love it, and I want someone else to have that chance too.
