

Public Bulletin Board and Exhibits Policies

The Library has one bulletin board for public use located in the café. Only notices from non-profit organizations may be displayed. For example, schedules from the area schools may be displayed, while a scrapbooking class that charges participants a fee would not.

All notices must be given to library staff and the director or designated staff will make the decision to accept the notice or not. If approved, the notice will be stamped indicating approval.

There are also brochure holders in the vestibule for the display of letter-sized tri-folded flyers.

Library staff have the sole discretion to monitor the bulletin board and brochures and remove anything not meeting these criteria.
