APPLICATION FOR CURB CUT

FEE: _____ PERMIT NUMBER: _____ Date: _____
\$8.50 per foot - \$50 minimum

Applicants Name: _____

Applicants Email: _____

Jobsite Address: _____

- If existing concrete approach is against the curb area to be cut the approach concrete will need to be cut back 1' and removed by the applicant before the curb cut can be completed.
- Driveway width on 60' wide lots or less can be no wider than 20'. On lots wider than 60' the driveway can be up to 35% of lot width. Curb cut flares shall be 3' wider than the driveway on each side. Curb cuts can be no closer than 3' to the neighbor's property line. 1" expansion is required between curb and approach and between house side of driveway and sidewalk.
