

CITY OF CRETE WATER OPERATOR

Job Status: Non-Exempt; Full-time

Reports to: Water Superintendent

**Supervisory
Responsibilities:** NONE

I. GENERAL FUNCTIONS

Implement all aspects of maintaining City Water and Sewer Line Distribution systems. Install and work with water metering systems. Report to Water Department Superintendent. Full-time, hourly position.

II. ESSENTIAL DUTIES & RESPONSIBILITIES

1. Efficiently maintain City water distribution and its water distribution system (correctly maintaining and repairing water supply system, flushing out services, conducting quality tests on supply samples and taking appropriate corrective action as required, insuring backflow protection and maintaining backflow devices, reading and recording water meter readings, accurately maintaining all required records, etc.).
2. Effectively maintain daily operations of, and efficiently maintain the City Sewer Distribution System (visually inspecting main system lines weekly, effectively responding to citizen reported systemic problems, correctly maintaining and repairing system as necessary, accurately logging and maintaining system readings, “smoking” sewer lines to detect infiltrations, etc.).
3. Accurately keep all pertinent records (valve locations, stop box locations for every house and business, fire hydrant information for the Crete Fire Department, machinery and vehicle daily log maintenance, system maintenance and repair information, conducted test and system performance information, personal time cards, etc.).
4. Effectively assist other City Departments as needed (helping Parks and Recreation with watering duties and water system repairs and installations, helping Electrical Department with tree trimming/back hoeing/trenching duties, helping Street Department with dirt/concrete/snow removal and back hoeing/trenching duties, helping Wastewater Department with pumping sewer line duties during floods, helping Power Plant Department with special projects and regular duties, etc.).

5. Efficiently maintain departmental vehicles, machinery, equipment, grounds, and facilities (mowing and trimming, painting, general carpentering, plumbing and heating system repairing, changing oils and fluids, lubing, performing regularly scheduled maintenance procedures, repairing vehicle lights and systems, etc.).
6. Actively participate in all work duties/responsibilities.
7. Effectively respond to other assignments from the Water Department Foreman, Superintendent and Public Works Director.

III. OTHER NON-ESSENTIAL DUTIES

1. Other duties as assigned.

IV. DESIRED KNOWLEDGE, SKILLS, ABILITIES

1. Ability to effectively work with people of all ages and backgrounds
2. Ability to accurately make decisions from conducting tests and processing test results
3. Knowledge of, skill in, and ability to operate hand tools and power tools.
4. Knowledge of, skill in, and ability in operating/maintaining large vehicles, machinery, and equipment.
5. Ability to work outdoors in all types of weather conditions.
6. Ability to proficiently read, write, and speak English.

V. MINIMUM QUALIFICATIONS

1. Must have high school diploma or GED.
2. Possess a valid driver's license.
3. Must be at least 18 years of age.
4. Must be able to legally work in the U.S.
5. Must reside within 20 minutes of Crete, NE

VI. WORKING CONDITIONS & PHYSICAL EFFORT

Heavy work classification (as described by ADA) for the duties and responsibilities associated with this position.

VII. OTHER

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities and activities may change at any time with or without notice.

ESSENTIAL FUNCTIONS
(included but not limited to)

With or without reasonable accommodation this person must have the ability to successfully accomplish the following:

1. Operate and employ such devices or procedural changes necessary to render services to, and accommodate persons with disabilities.
2. Provide courteous, impartial and tactful service to all patrons.
3. Communicate with persons of various educational levels and communication abilities.
4. Maintain confidentiality of information defined as sensitive or confidential in policy.
5. Ability to work with people of all ages and backgrounds as needed.
6. Identify unsafe environmental, equipment and structural conditions and initiate appropriate response to provide for the safety of patrons and staff.
7. Identify procedures needed to insure safe and effective delivery of services to the public by employees.
8. Safely operate a motor vehicle in all environmental and lighting conditions.
9. Perform accurate, timely, mathematical calculations based on independent data and direct plant observation, and present such calculations in verbal, written or pictorial format as required.
10. Independently utilize reference and technical materials (in various formats) to resolve operational, maintenance and repair problems.

11. Accurately interpret and analyze drawings, sketches, plans and textual instruction to implement equipment operation and repair problems.
12. Maintain legible, orderly and accessible records generated by assigned activities.
13. Safely operate such hand or power tools necessary to affect cleaning and maintenance of shop, grounds and equipment.
14. Safely conduct interior and exterior activities using ladders, exposed stairs and scaffolding. Safely conduct such activities in areas of limited space, or areas to which access may entail climbing, crawling, kneeling, stooping, lying on the ground, or other physical exertion for protracted periods of time.
